### **JetBlue Adds New Nonstop Service for San José** *Three daily flights to Long Beach and a second daily flight to New York*

**SAN JOSE, CA** – JetBlue Airways has announced the start of three new daily nonstop flights between Mineta San José International Airport (SJC) and Long Beach Airport (LGB) beginning May 21, 2008, that offers Silicon Valley business and leisure travelers additional convenient access to Southern California.

JetBlue also will add a second daily nonstop flight between San José and New York's John F. Kennedy International Airport (JFK) that leaves mid-day beginning May 1, 2008.

Operating out of Terminal C at SJC since June 2004, JetBlue is a low-fare, low-cost passenger airline that provides high-quality customer service. JetBlue also provides daily San José/Boston service.

The new JetBlue flights also mark the West Coast debut of its new Embraer-190 aircraft. The full-size E190 is a quiet 100-seat jet that offers passengers travelers 36 channels of free live DIRECTV® programming, more than 100 channels of XM Satellite Radio, and comfortable leather seats.

For information about JetBlue and its new San José service, go to [www.jetblue.com](http://www.jetblue.com), or call the airline at (800) 538-2583.
